RE: Parkhurst Residents and Business Owners Association (PRABOA) and Greenpark Pre-Primary School

I am very pleased to be able to provide a testimonial for PRABOA!

For the last three years at least, Greenpark was fortunate enough to have, and continues to have, a wonderful relationship with Pauline Borton and her amazingly productive PRABOA team. Being an Education Centre, we are very involved with the community as we attract families from the surrounding neighbourhoods to the school.

We have, from time to time unfortunately, experienced difficulties with City Power, City Parks and Zoo and the Roads Agency. However, due to our devoted relationship with Pauline at PRABOA we have been able to work together to get problems logged and chased with huge success!

We work hand-in-hand with PRABOA's team keeping the area as refuse free as possible. Our property backs onto a greenbelt which can attract unlawful dumping and extensive littering. The municipality does very little to keep this and other greenbelt areas in our community clean. However, working with PRABOA prompts collaborative regular 'clean-ups' and we keep a close eye out for unlawful behavior locally. PRABOA as well as Safe Parks are always proactive and positively reactive in this regard.

Being imbedded in the Parkhurst community as a neighbourhood Pre-School; and having the undivided attention of many families we continue to work together with PRABOA strengthening our areas sustainable family-orientated, safe, clean and popular neighbourhood.

Thank you for everything dearest Pauline!
